ANNOUNCEMENTS

Attention students:

We need everyone to be responsible students, this means following school rules and developing good attendance habits. As we continue this school year remember that school privileges can be taken away from students who exhibit poor behavior and/or poor attendance. Students will not be allowed to attend events such as rallies, winter formal, homecoming, Sadies, Prom or sporting events. Senior students who do not exhibit appropriate behavior and/or attendance will face the loss of Senior privileges, such as senior bash, grad night, graduation tickets or even the privilege to participate in Graduation. The beginning of the school year is a great time to start forming good habits. We are here to support you, stop by to talk to any administrator if you have any questions.

Attention all students:

Be on time to school every day! The Assistant Principal will be conducting home visits along with School Police for those with attendance issues to make sure you are coming to school every day and on time. When you attend school you are securing your future success. Good habits are developed in high school that will lead to having good habits as an adult. So be in school every day and on time.

Dress Code is strictly enforced – P2 teachers went over the dress code with you already; if you have any questions about the SVHS dress code policy please go to the student page on the school website click on the link and go to page 31 for more details when picking out your outfit or what type of baseball hat is allowed.

Electronic Device Policy is also strictly enforced. We confiscated about 10 cell phones on the second day of school. Electronic devices are to be turned off and put away during school hours. Students do not have permission to have their electronics out during brunch, lunch nor in the classroom unless with teacher permission. Items confiscated must be retrieved by parent or guardian in person. See page 16 of the student handbook - link is on the SVHS student webpage.

Students:

If you need to request a class change, you must do so by filling out a "Request to see Counselor Form". These forms are available at the attendance windows. Throughout the next two weeks, counselors will begin to call out students to discuss schedule changes. We ask that you be patient throughout this process, keep in mind you are not the only one making a request. All requests must be made by Wednesday, Aug 28th. Any requests received after this date will not be granted.
