A message from the Baldwin Park School Police:

Students this is a reminder if you ride your bicycle to and from school, you must wear a helmet and use proper bicycle safety. When riding in traffic lanes, you must ride with the flow of traffic. Be vigilant at all times of parked and moving vehicles on the road. You must have both hands on the handlebars of the bicycle: do not use your phone while riding your bike. School Police will continue to enforce these violations and you may be cited. These laws are for safety based on California Vehicle Code.

Attention Dons, the big game is TODAY!
