Attention Students

Attention Sierra Vista High School Students:
As a reminder arriving to school and to each of your classes on time is **important**. All students arriving to school after the second bell must enter through the main office off of Frazier Street. Starting Monday, August 26th-students will need to proceed from the main office to the Attendance window for a tardy pass. The first three tardies will show as warnings on your tardy pass; after which students will be assigned an hour of detention after school for each tardy. Please make sure that you arrive to school on time and arrive to each of your classes on time. Every minute of class time counts toward your success!

Students that have requested their password information in the main office, please come see Mrs. Gomez for your username and password. Thank You!
