### Attention Students

The National Suicide Prevention Lifeline is posted on the back of every student ID. Our counseling department can connect you with FREE counseling services and are always there to help. Know that there are resources out there with people who care and who can help you deal with what you are going through. Everyone's lives matter and no one should ever feel like theirs doesn't.

#### Attention 12th grade students:

SVHS will be hosting an SAT testing date on October 16th. The test is free for Seniors and is during school hours. We will order an exam for every Senior that is eligible for a 4 year college. If you are not sure whether an exam will be ordered for you, please stop by to see your Counselor. If you are a student who is not eligible for a 4 year college but would like to take the FREE SAT, please talk to your counselor by Thursday, September 12th. For those Seniors not attending a 4 year college or who are interested in a vocational school, we will also be administering the ASVAB on this date. The ASVAB helps you identify your skills and interests, explore jobs, and develop after high school plans. Stay tuned for more information about signing up for the ASVAB.

#### Attention Students:

If you are interested in taking an AP exam that you are not enrolled in, there will be a mandatory meeting TODAY in the cafeteria at 3:15pm. See you there!

#### Attention all 10th-12th grade students:

A UC Berkeley representative will be on campus this Friday. Please come to the Counseling Office to sign up for the presentation. It's never too soon to learn about college.
