### Attention Students

Look out for NAMI Club and the Sierra Vista Mental Health pathway students to let you know how much you matter by personally leaving you a message on your lockers. **YOU MATTER TO US!**

**Attention 12th grade students:**

SVHS will be hosting an SAT testing date on October 16th. The test is free for Seniors and is during school hours. We will order an exam for every Senior that is eligible for a 4 year college. If you are not sure whether an exam will be ordered for you, please stop by to see your Counselor. If you are a student who is not eligible for a 4 year college but would like to take the FREE SAT, please talk to your counselor by TODAY. For those Seniors not attending a 4 year college or who are interested in a vocational school, we will also be administering the ASVAB on this date. The ASVAB helps you identify your skills and interests, explore jobs, and develop after high school plans. Stay tuned for more information about signing up for the ASVAB.

**Attention all 10th-12th grade students:**

A Concordia University representative will be on campus Tuesday, September 17th. Please come to the Counseling Office to sign up for the presentation.
