Yearbook

Seniors...listen up!!! If you have not taken your senior portraits, time is running out. You will need to make your appointment with PSS imaging and head to the studio by October 30th if you want any special portraits and poses taken. There are many options available for you to chose from. In order to appear in the yearbook you MUST be photographed by PSS imaging. More information is available on the school website.

Seniors, club presidents and sports teams can purchase ads in this year's 60th anniversary edition of the yearbook. You can purchase these ads on yearbookforever.com. Include your email when you purchase the ad so we can reach out to you for your photos and messages. All ads must be completed by November 15th in order to make it into the yearbook. Having trouble? We will be holding an informational meeting on Wednesday, October 20th, at 5:00pm to take you through the process and to answer your questions. The WebEx address can be found on our Instagram and on the school website.

Hey Dons: Let's keep the yearbook snapping going! This week's theme is Spirit Week!! Do you have any pictures from last week's Homecoming Court Spirit Week? What about this week? Show us your Don pride by sending us your pictures of all the amazing spirit you have. You may just make it into the yearbook more than once!
