Yearbook

Seniors:

Bookings are filling up quickly for senior portraits and the deadline will approach faster than you realize. Only half of our seniors have already had their portraits taken and will appear in the yearbook. Please call today to make your appointment with PPS Imaging. They are taking appointments for October, but once they fill up they might not be able to fit you in for our yearbook deadline, October 30th! Please keep in mind, in order to appear in the portrait area of the yearbook, you MUST take your picture with PSS Imaging. There are no exceptions to this. You can find their website information on our school website under the yearbook section. If you haven't taken your picture, you will need to travel to the studio for your appointment. Please do not delay in making your Appointment, as they might not have any available if you wait much longer!

Do you want to be in this year's yearbook? This year we will be using Yearbook SNAP so that everyone can send in their won pictures for the book. This is your opportunity to have some of your images in our 60th anniversary yearbook and feature in as many spreads as possible. Every week we will feature a special theme for you to Submit...this week it's PETS!! Do you have a special pet in your life that you would like to share with the entire school? Send in your best photo of YOU AND YOUR PET using Yearbook SNAP. We would also love to see some exotic pets: fish, birds, reptiles, spiders and more! Directions are available on our Instagram. Follow svdons.yearbook on Instagram to find out how to submit your photos or check the Yearbook page on our school website. We will provide more opportunities for you to share images from all of our events so keep listening for the announcements and snapping those photos!
