Announcements

Hello Dons: In an effort to keep our students safe on campus, we will be conducting bag/backpack searches every day for the last week of school. In addition, be advised students will be dismissed at 12:50 next week. Students will need to clear out their lockers before 12:50 on Thursday, June 2nd, which is the last day of school. If you do NOT need to carry a purse, bag or backpack, we suggest you leave this at home. The dress code policy, electronic device policy and all other school policies will continue to be enforced daily. Please comply with all school expectations and policies. Also, as a reminder, finals are scheduled the last week of school and classes will start at 8:10am each morning - so make sure you arrive to school on time. Thank you DONS!!

Future AP Biology Students: Please pick up an informational handout from Room 417 this week. There will be a folder on the door where you can grab a copy.

Sports

No Games Today!

Faculty Section

Group A & B have duty this week
