### Announcements

This week we celebrate Teacher Appreciation Week. We want to thank our teachers for everything they do! We want you to know that you are loved and appreciated. Thank you for your hard work and dedication, it does not go unnoticed.

**Students:** Have you heard of the School Site Council? We need three student reps for next year to attend monthly meetings and provide the student perspective on various issues. The School Site Council includes staff, parents and Mr. Pratt. The student reps should be articulate, outspoken and good listeners, with the ability to represent multiple student groups on campus. Interested? Come to ASB this week for details.

The Mark Daniel Flores Music Foundation is proud to announce the winners of 2022. Our first in-person audition was held this year since the pandemic started. The winners are Deidra Barragan for flute and Litzy Taborda for vocal. Congratulations ladies! You are the best!!
