### Announcements

This week we celebrate Teacher Appreciation Week. We want to thank our teachers for everything they do! We want you to know that you are loved and appreciated. Thank you for your hard work and dedication, it does not go unnoticed.

**Students:** Have you heard of the School Site Council? We need three student reps for next year to attend monthly meetings and provide the student perspective on various issues. The School Site Council includes staff, parents and Mr. Pratt. The student reps should be articulate, outspoken and good listeners, with the ability to represent multiple student groups on campus. Interested? Come to ASB this week for details.

**Hello ALL Students:** Have you ever thought about a career in astrophysics or astronomy or the possibility of working for NASA? An astrophysics student from Pomona College in Claremont and an intern at Carnegie Observatory in Pasadena is coming to speak with our students about her research, the Carnegie Observatories and her educational pathway. The remaining time will be used for a Q&A where she will answer questions about astrophysics, college and her experiences. The presentation will take place during 5th period on Thursday, May 5th. Please sign up TODAY in the Counseling Office with Mrs. Sandra Anaya. Don't miss out on this once in a lifetime opportunity.

**Attention Seniors:** The Baldwin Park Unified School District offers a commendation which students may earn upon graduation from high school for their biliteracy skills. Qualifying students receive a Medallion, a Certificate and a Seal on their diploma. If you qualify to receive the Biliteracy Recognition Seal, you must submit a completed application to your counselor by May 17th. Applications are available in the Counseling Office.

### Clubs & Activities

If you are interested in joining Drumline, Color Guard or Band, we will have workshops starting this Wednesday, May 4th, from 5:00pm- 8:00pm. All students are welcome to attend. See Ms. Gomez in the Band Room for more information.

**Just a Reminder:** If you are interested in playing chess or learning how to play chess, come to Room 610 at Lunch on Fridays. Everyone is welcome to join.

C.S.F. will be holding officer elections for the next school year. If you are interested in running for a position, please check our Instagram page @svhscsf for more information and to complete the form in our bio by the end of TODAY. Elections will be held tomorrow during Lunch in Room 506. Members MUST attend in order to vote.
