Announcements

Happy Wellness Wednesday Dons!! Here is the 3rd fact presented by HOSA Club: Breast Cancer doesn't affect JUST women, it can also affect men too. Thankfully, it's only 1 in 100 men with minuet symptoms but it doesn't mean you should take them lightly by any means. This applies to every body type, not just for those who look like they eat enough.

Dons: Today is College Wear Wednesday! Teachers, please take your class counts and report them on the Google Form posted in our Admin SV Google Classroom. Feel free to take a picture of your class to be featured on our school's Instagram!

Dons: It's never too early to start thinking of college. S.V.H.S. wants everyone to start planning for their futures. Join us TODAY and every Wednesday by wearing your gear from one of your favorite universities, colleges, vocational/trade school, etc. Wear your favorite college t-shirt, take a picture wearing the college t-shirt and email it to your counselor. Also, stop by the Counseling table to answer a few college and A-G questions for a chance to win a prize.
