Announcements

Dons: Remember that when you are considering your Halloween costume for school, ensure that you follow the student dress code listed on page 20 of the S.V.H.S. Student Handbook. Make sure that you wear tight/tank top under your costumes in order to not violate the student dress code. Also, remember masks, weapons or any inappropriate costume/accessories are not allowed.

Happy Fantastic Friday Dons!! Today we have the final fact presented by HOSA Club. The color pink is used for breast cancer awareness month because in the early 1900s a woman named Charlotte Haley who was in her 60s battled breast cancer and survived, but due to little funds for breast cancer in her time she created peach color ribbons to spread awareness about it. Many large corporations heard about her story and the impact behind the peach color ribbons, when asked to use them she declined their requests due to her belief that they would over market the peach ribbons. Thankfully, "Self" magazine and their lawyers persisted to change the color of ribbon to pink and thus the presenting color of breast cancer awareness was born. Yes, yes, we know that the story sounds like a marketing strategy or whatever but it isn't.

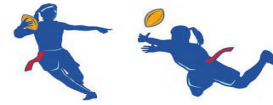

Attention Dons: Are you interested in going to Washington D.C. during Spring Break? If so, please come to an informational meeting on Friday during Lunch in Room 505.
