Announcements

Attention Students: If you are experiencing technical issues with your school issued Chromebook, please come by the Library during LUNCH ONLY for technical support.

National Eating Disorders Awareness Week is next week, February 27th - March 5th. Eating disorders are associated with disruptions in people's eating behaviors and related thoughts and emotions. Preoccupations with food, body, weight and shape may be signs of an eating disorder. Common eating disorders include anorexia nervosa, bulimia nervosa and binge-eating disorder. By intervening early when patterns of disordered eating or symptoms of an eating disorder first appear, we can get individuals into needed care quickly and increase the chances of recovery. If you're worried about a friend having symptoms of an eating disorder, don't wait. Act early! Reach out and talk to them and help them get into treatment as soon as possible. For more information or to request to talk to a therapist, stop by the Dons Wellness Center.

Attention Students: Do you have limited funds for good clothing or personal care items? Well, the Dons Closet is here for you. In order to help with the cold weather, we have a collection of coats and sweaters if you are in need. We are also collecting gently used items if you would like to donate to the club. Please stop by Room 510 if you are in need of some warm jackets or would like to donate.
