Yearbook

Seniors: There will be future portrait appointments for your Senior Photos on campus coming up. We will announce the dates soon. All Seniors must have their photograph taken by the studio in order to appear in the yearbook by October 31st. If you did not already photograph, you must take your pictures during the make-up sessions coming up. If you are unable to attend the on-campus dates, you will need to visit the studio in Anaheim prior to October 31st to be included in the yearbook. Students who do not photograph on campus with our studio OR at the studio in Anaheim by October 31st, will NOT be included in the yearbook, no exceptions. We will not accept personal photos, nor can the Yearbook Class take your picture for you, so please make every effort to make your appointment with our photography studio. Appointments do fill up, so it is important for you to book your appointment as soon as we announce they are open.
