Announcements

We continue honoring Latinos this month with today's fact: Spanish, the predominant language for Latinos, is the second most spoken language in the world, after Chinese.

Hey DONS: Do you find yourself stressed out and anxious all of the time? Do you want to learn some strategies to help manage stress, enhance your mental health and learn some yoga along the way? Then come join Mr. Garcia's Advisory Period. We will learn all about mindfulness, stress management and yoga. Yoga is also great for enhancing strength, mobility and flexibility for athletes and is practiced by NBA players like LeBron James, WNBA player Alana Beard, NFL player Tom Brady, MLB player Evan Longoria and Soccer player Hope Solo. Anyone interested in joining MUST come speak to Mr. Garcia in Room 513 during Brunch by Friday, September 27th. Space is extremely limited and juniors and seniors will have priority. I hope to see you on the mat soon!

Students: Do you have a job? Do you need help finding a job? We have a class for you! The Career Exploration Class meets Wednesdays from 3:35-5:00 and lets you earn Elective credits for hours that you work. The first day of class is TODAY in Room 521.

Hey Students: Don't forget that tomorrow night is Back to School Night and our first ever Community Fair! Clubs will be selling food, too, so come along with your parents. We'll be raffling off a few homecoming tickets to families who fill up their stamp cards! Hope to see you there!
