Good morning Dons! Are your grades in need of some TLC? Give your grades the attention they need. We have peer tutors who are ready to help you with your academic questions. Today's tutoring during 6th period Advisory is MATH and SCIENCE. Just check in with your Advisory teacher and ask him or her for a green slip to Room 504. You can also stop by Room 504 and see Ms. Gutierrez for an Advisory green slip. Remember, students helping other students to achieve is the greatest way to rise together.
